We may ask that you find another childcare center which will better meet your child's needs.

We urge all of our parents to communicate with the administration and teachers at all times.

CLASSROOM VISITORS

There are several issues that must be considered before a request to visit a classroom can be granted. Only parents of a child will be allowed to spend time in the classroom observing. In the case of extended family, each parent must write a note approving the visit to the classroom by anyone other than the birth parents. Privacy issues must be considered when allowing visitors to the classroom. The visit must be coordinated with the director, and the classroom teacher. It should take place at a time when it will cause the least amount of confusion to the classroom dynamics. Visitors to any classroom must sign in at the Director's Office. They must be in proper dress. This should be explained to the visitor when the classroom teacher makes the appointments for the visit.

CONCERNS

If you have a concern/complaint you should first address the director or owner. If you concern is not addressed to your satisfaction, you may contact the The Division of Childcare, The Colorado Department of Human Services, 1575 Sherman Street, Denver, Colorado 80203-1714.

CONDUCT-SAFETY/DISCIPLINE

We believe that teaching children appropriate behavior is an important part of their education; we will use positive behavior support to teach and encourage children positive behavior.

Children will receive guidance regarding the proper behavior and instruction as to how to handle anger, frustration and peer interactions.

Children will be made aware of the classroom rules each day and rules will be posted in each classroom. We believe that all children desire to behave well and be accepted by their peers. We feel a strong responsibility to give the children the tools they need to have positive social interaction with their peers, family and the greater community.

In the event that a child does not respond to positive guidance techniques, we will request a meeting with the parents, at that time the child may be placed on a behavior support plan devised by the Director, Teacher and Parents.

If it is later decided that the child is not able to grow under this plan the parent will be contacted and asked to pick the child up. Steel School for Early Learning reserves the right to deny further enrollment to any child unable to comply with the guidance offered here. This would be a last resort.

Constructive methods for behavior are used for maintaining group control and handling individual behavior. Corporal punishment and other humiliating or frightening techniques are never used.

Tuition and fees provide only a portion of the total operating costs needed to provide quality education for your child. Private schools receive no outside funding and must make up for shortfalls in tuition and revenue. Therefore, parents of private school students are asked to take an active part in one or more areas such as fundraising, volunteering, donations, etc. Steele School for Early Learning strives to keep tuition costs at a minimum and can only continue to do so with parent cooperation and participation.

It must be store bought and brought in original packaging. Please let the teacher know at least 2 days before the day of the party so that we can plan for it.

PROGRAMS, GOALS, PHILOSOPHY

Children grow in many ways, some of which may be summarized by the following terms: physical, cognitive, emotional, and social, Programs committed to excellence in design and practice, will be developed to enhance and nurture growth in the many areas in a child's development.

Our program has been planned for the emotional, physical, social, and intellectual development of the individual child. Your child needs to extend his relationships with others of his own age to learn to be creative, imaginative, cooperative, and to develop social ability, skills, and independence. This is given the utmost attention by our well-trained and dedicated teachers.

Each child will be guided toward finding tools that he can use to cope with the demands of his environment whether they are personal, social, mental, emotional, or physical. TUITION POLICY

Steele School for Early Learning depends on your timely and current tuition payments for its budget. The policy of Steele School is that all tuition is due and payable in ADVANCE. ALL WEEKLY TUITION is due on MONDAY of the current week to avoid a \$5.00 late fee. If this school policy is not respected, your child may be dropped from our school enrollment until your account is made current. All monthly tuition is due the 1st of each month (before the 5th to avoid a \$15.00 late fee). There is no reduction in rates for illness, holidays, snow days or staff planning days.

An outstanding balance on an account (preschool or childcare fees) at any point during the year may jeopardize a student's current enrollment at Steele School for Early Learning. Steele School reserves the right to place a student on a waiting list at any point, due to an outstanding balance on the account.

If a payment is received after the 5th of the month you will be charged an AUTOMATIC \$15.00 LATE CHARGE and an ADDITIONAL \$5.00 for each week that your tuition is past due, being accrued from the 5th of the month to date. (When the 5th falls on a Saturday or Sunday, tuition payment may be made on Monday.)

TUITION/BANK CHARGES

There will be a \$35.00 bank charge for all checks that are returned to us for insufficient funds. You will be called when your check is returned to us, and we will charge your account. The school reserves the right to dismiss any family whose checks are consistently returned or require “cash payments only” thereafter.

TUITION/FAMILY RATES

Steele School for Early Learning will offer a 5% discount for families with two or more children enrolled in the school. This discount will only be offered when children are enrolled full time. Military and service job discounts are available for example; fireman, police ect., ask administration.

TUITION/PAST DUE ACCOUNTS

A percent per month service charge 1.5 % (annual 18%) may be charged on all accounts 30 day past due. An approximate \$250 service charge will be assessed on all accounts that are turned over to our collection agency. This will happen after all attempts by the school have been ignored. You are to assume that if your account has been turned over to our collection agency, that your child has been withdrawn.

VACATIONS

You are allowed one week total (Monday-Friday) for vacation, without being charged tuition, after the first year of attendance. In order to secure your child’s place, you must pay for any additional weeks your child is out. There is no credit for vacation weeks not used.

Vacation time must be requested in writing two weeks in advance of your scheduled time.

TODDLERS

Lunches and snacks are provided and foods have been selected with your toddler in mind. *This will change in January 2020. All children will be required to bring lunch and snack.

Toddlers will always wear a bib at mealtimes. After they eat. Their faces will be washed with a wash cloth provided by us. We will wash bibs and Washcloths daily. The staff member will either feed the infant/toddler, or supervise them when they are eating. Children will be encouraged to try a variety of food served

If a child has specific allergies or special dietary needs, please notify the director and supplement as needed.

Diaper and Supplies

Parents will be given a list of items to bring to school. Be sure you send an ample supply of diapers. Your child’s diapers will never be used for other children. Disposable diapers are preferred, however if cloth diapers are used, each soiled diaper will be sent home in a gallon zip-top bag that the parent is required to supply. (According to State regulations, we are not permitted to rinse soiled clothing.)

We will not attempt to toilet train children under the age of 18 months. We will be happy to assist in potty training after the age of 18 months if parents request.

When your toddler turns 2 1/2 and has a clear understanding of the toileting process, he/she may be advanced to the next group. The child must be accident-free for at least two weeks before the move can be made, and meet all state standards.

SUPPLIES

When supplies run low, you will be asked to bring these. If you do not provide them, after 2 attempts, you will be charged \$2.00 per diaper and \$2.00 per day for wipes.
